

NATIONAL ASSOCIATION OF BAIL AGENTS

DEDICATED TO THE ADVANCEMENT & PRESERVATION OF OUR INDUSTRY NATIONWIDE

What is NABA?

The National Association of Bail Agents is a grassroots organization of Bail & Fugitive Recovery Agents that advocate our role in every “successful” criminal justice system throughout the USA.

How do Judges throughout America rely on the “Secured Bail” Industry?

- Prior to the enactment of “bail reform“ Judges were empowered with “Judicial Discretion”, a power that has been eliminated by the implementation of these initiatives. Judges heavily relied on the secured bail industry as it has been proven to be effective throughout history.
- Judges throughout the nation rely on secured bail to insure the appearance of the accused, offering the victim their day in Court & thus avoiding sentencing in absentia.
- Judges are keenly aware that Bail Agents, at their own expense, are vested in swiftly returning the warranted to the Jurisdiction of the Court.

Why is “Secured Bail” important?

- Secured Bail is important to communities because it includes the family of the accused & enables them to play a critical role in maintaining adherence to the order of the court.
- Secured Bail is the only accountable form of pretrial release.

What are the benefits of “Secured Bail”?

Secured Bail provides true liberty to the accused without governmental oversight or taxpayer funding.

Government run pretrial release programs adjudicate the accused before trial by imposing:

- Drug Testing
- Electronic Monitoring
- Anger management classes

All at the financial burden of the accused & the taxpayer.

Secured bail monitors the release of the accused in Domestic Violence & Child Abuse cases, directly connecting the victim & the accused to the Bail Agent. Thus creating a system of 24 hour real-time reporting on any defiance of the Judges order to stay away. Bail Agents are the keeper of the gate in that we carry out the bail conditions set by your honor by asserting our power of arrest.

Government run pre-trial services are generally open Monday thru Friday from 9-5. Pre-trial officers are not available at 2AM, nor do they have arrest powers. Pre-trial programs are taxpayer funded.

Secured Bail returns defendants that have failed to appear. The Judge will issue a warrant & our industry immediately takes action, deploying the Fugitive Recovery Agents. FRA's take on the dangerous task of returning the warranted to the high order of the Court at zero expense to the taxpayer or law enforcement.

Government run pre-trial programs do not possess the power to pursue & return warranted fugitives. Instead PTR programs rely on Law Enforcement to arrest a fugitive upon his/her next commission of a crime.
